

# Summer Lesson Information

Your child has worked hard to develop their musical skills this school year! Summer lessons give students the opportunity to maintain and grow their skills in a relaxed environment. It's a great time to work on fun repertoire and creative projects, or get a jump-start on repertoire for fall. Without the busyness of the school year, many students make great progress in their musical studies over the summer months!

Our studio operates on a flexible schedule through the summer months, so your child can schedule lessons around camps, family vacations and other summer activities – you simply sign up for the weeks you'd like to attend.

This year's summer semester will cover 8 weeks, starting on June 3<sup>rd</sup> and ending on July 26<sup>th</sup>. Lesson times are available Monday – Thursday during daytime and evening hours. You are welcome to keep your school year time slot, or switch to a daytime or earlier evening time that better fits your schedule. Please see the attached scheduling form for details.

Summer rates are \$25 per half hour lesson, \$37 per 45-minute lesson and \$50 per 60-minute lesson. Discounts are available for students who enroll for the full summer term. You will be billed at the beginning of each month for your scheduled lessons.

Students who take a minimum of 4 lessons over the summer will receive VIP enrollment for the next school year. VIP enrollment guarantees that you can keep your current school year time slot, or take first pick of any other available slots. If your student will not be taking any lessons over the summer, a \$75 enrollment fee for the 2013-2014 school year is due by May 31<sup>st</sup> in order to ensure a space in the schedule for fall.

To enroll your student for summer lessons, you may fill out the attached scheduling form and return it to me, or send me an email with your scheduling information. **Please send in your summer enrollment information by Friday, May 10<sup>th</sup>.**

Thanks!
